(2) Calculation of Performance Guaranteed Fees.

All CONSULTANT fees will be calculated four (4) times yearly based on the average savings for all services over the previous quarter. Savings reports will be generated by the CONSULTANT and produced to the COUNTY during the first ten (10) business days of April, July, October, and January. CONSULTANT fees will be determined by the table in Exhibit "A". If a fee adjustment is warranted, it will become effective no later than the eleventh (11th) business day of the quarter. Services provided up to this fee adjustment will be billed at the rate of the previous quarter. CONSULTANT will be paid at the maximum rate beginning on the Effective Date through the first full quarter of service. The first evaluation of fees will take place after the first full quarter of service.
